Fire Chief David Porter

# Smoke Alarms Save Lives

### Why Am I Receiving A Smoke Alarm?

The Pickens Fire Department recently received a Grant to provide you with a complimentary Smoke Alarm.

### Okay, Where Do I Put Them?

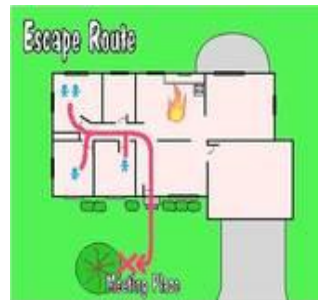

- Follow Manufacturer's Recommendations for Installation
- Place near Sleeping Area
- Mount on Ceiling or on Wall 6 inches from Ceiling

### When The Alarm Sounds!

- **GET OUT – STAY OUT !!!**
- Go to Family Meeting Place
- Call 911 from Neighbor's Home or Cell Phone

### Escape Route

- Have two ways out of every room
- Discuss the plan so each member of the family understands what to do
- Choose a place outside where everyone can meet

### Battery Change

- Change batteries twice a year when time changes
- A "chirping" sound indicates it is time to change the battery

### Maintenance

- Once a month press Test Button
- Once a month vacuum dust from Smoke Alarm
- Don't paint Smoke Alarms
